

Lung Immune  
Challenge Study

# Lung Immune Challenge Study

## Are you interested in taking part in medical research?

We are conducting a research study to better understand immune responses to viral infections in the lung and how this differs between people

We are seeking **healthy** volunteers and people with **asthma** aged **18 – 60 years** of age

The study will involve providing **blood** and **sputum** samples. It has a time commitment of **one overnight** stay and **two 1-hour** visits. Renumeration of **£200** is offered for your time.

Please visit our [website](#) for further information or contact the study team lead **Dr Akhilesh Jha**, Consultant in Respiratory Medicine at [cuh.lungchallenge@nhs.net](mailto:cuh.lungchallenge@nhs.net)
